Proposal: 776451 — FullWaterRecovery
Evaluation result letter — Proposal rejection letter

Dear Madam/Sir,

I am writing in connection with your proposal for the above-mentioned call.

Having completed the stage 1-evaluation of your proposal, we **regret** to inform you that it cannot be funded because the score obtained does **not** reach the [minimum threshold necessary to pass to stage 2](#).

Please find enclosed the evaluation summary report (ESR), based on the comments and scores of the experts that evaluated the proposal for the Agency.

I would be grateful if you could inform the other members of your consortium of this letter.

We thank you for your interest and hope that you will not be discouraged from applying to EU calls in the future.

Yours faithfully,

Arnoldas MILUKAS

Information on the means of redress

You may request an **evaluation review** on the procedural aspects of the evaluation (not the merits of your proposal). This request must be submitted by the coordinator (via the following link: <https://webgate.ec.europa.eu/redress-frontoffice/work.iface>) — within 1 month after receiving this letter.

You may request a legal review of the Agency decision under Article 22 of Council Regulation No 58/2003¹ (**‘Article 22 request’**) — within 1 month of receiving this letter (via the following link: RTD-FOR-APPEALS-UNDER-ART-22-OF-REG-58-2003@ec.europa.eu).

You may bring an action for annulment under Article 263 of the Treaty on the Functioning of the European Union (**‘Article 263 action’**) against the Agency — within 2 months of receiving this letter.

 Please be aware that you **cannot take more than one** formal action at a time. Thus, if you make, for instance, a request for evaluation review, you cannot — at the same time — take any other action (*e.g. also file an Article 22 request or an Article 263 TFEU action*). If you file an Article 22 request, you cannot — at the same time — bring an Article 263 action.

You must wait for the final decision of the Commission/Agency and can then take further action against that decision. All **deadlines** will start to run from when you receive the final decision.
